About Clessidra hourglass by Paolo Venini – Venini Murano

The hourglasses designed by Paolo Venini in 1957 were exhibited at the Triennale di Milano the same year. This piece is a large and rare model. The two parts have a conical shape and different colors: one is pink and the other is grey green. (conical shape hourglasses are very scarce).

You should know

Flow time is about 5 minutes. Few traces were left by the sand on the inside of the grey element. Hourglass has its original white rubber cap and is signed "venini murano ITALIA" by acid stamp.
