## About Soleil à pointes (Spiked sun) by Line Vautrin – Talosel mirror inlaid with alternating light green and dark green colored mirrors (shape number 3)

Soleil à pointes (Spiked sun), talosel mirror inlaid with alternating light green and dark green colored mirrors (shape number 3) by Line Vautrin. Structure in dark beige Talosel whose rays (50 in number) are encrusted with pale green and dark green mirrors arranged alternately. The perimeter of the scarified Talosel mirror is decorated with a crown of mirrors in the same shade of dark green.

### You should know

To our knowledge, this mirror is very rare (may be unique) due to the association of colors used by the artist. The structure of the mirror, perfectly executed, presents a very nice work of scarification. Signed by scarification on the reverse in writing "Line Vautrin . XII" Accompanied by its certificate of authenticity issued by the Line Vautrin Committee Very good condition. Original light beige back silk stained by time.
