Vaso cilindrico in vetro trasparente *zaffiro* decorato da due fasce orizzontali in giallo opaco. In un pieghevole di Warnecke (concessionario tedesco della Venini), dei primi anni sessanta, il modello viene proposto anche in vetro "verde fasce *zaffiro*". Considerato il grande successo dei vetri a fasce orizzontali di Bianconi, la vetreria propose alcuni oggetti dal disegno semplificato, caratterizzati da questo motivo decorativo.
