About Cailloutis by Line Vautrin

“Cailloutis”, ruby-red enameled gilt-bronze compact by Line Vautrin, France. Circular compact in gilt bronze, the lid decorated with the emblematic Cailloutis pattern. The surface, structured in irregular cells evoking a mineral paving, is enhanced with kiln-fired ruby-red enamel. The contrast between the matte gilt bronze and the vibrant depth of the enamel gives the piece a precious and tactile presence, characteristic of Line Vautrin’s decorative vocabulary.
