About Monumental vase by Fulvio Bianconi – Venini Murano

Very Large green blown glass bottle vase decorated with three hot applied red bands (on a white background). Very imposing by its size of 61.5 cm, we have not found the similar model in the Venini archives, it is a variant of the model referenced under the number 4315 (with its size of 37 cm). In the archives, however, we find a drawing by Fulvio Bianconi from 1950 where a similar vase but of a smaller size (50 cm) is illustrated. We believe that the model we are presenting to you is unique, it is a one and only opportunity for us to meet such a tall model with a resolutely 1950s style. The example we offer is in very good condition and is signed with the acid stamp on three lines “venini murano ITALIA”.
