## About Floor lamp model 2576 by Fontana Arte

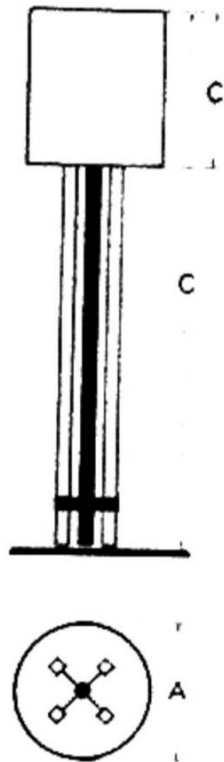

Floor lamp whose nickel-plated brass structure supports 4 large transparent / green colored glass legs fixed by two large cross-shaped spacers. The floor lamp is equipped with a cylindrical shade (new and identical to the original). Electrification redone as originally (European standards), original switch. The power cable is housed in the central shaft which is slightly shorter than the glass legs, allowing it to come out of the shaft discreetly... A detail à la Fontana Arte !
