About Glazed stoneware vase by Eric Landon

Glazed stoneware vase by Eric Landon, Tortus Copenhagen – Denmark, 21st century. Glazed stoneware vase with a slender, well-balanced silhouette, characteristic of the formal vocabulary developed by Eric Landon within his Tortus studio in Copenhagen. The cylindrical body, slightly constricted at the neck, is topped by a short neck with a subtly rolled rim. The surface is enlivened by a nuanced glaze combining deep dark tones with black and gold speckled effects, creating a subtle interplay of textures and chromatic variations.
