About Puzzle by Line Vautrin

“Puzzle” Bracelet in Gilt Bronze and Ruby-Red Enamel by Line Vautrin, France. Articulated bracelet in gilt bronze, composed of interlocking geometric modules forming the so-called “Puzzle” motif. The surfaces, sculpted in slight relief, are enhanced with kiln-fired ruby-red enamel applied within irregular cells. The contrast between the vibrant depth of the enamel and the matte warmth of the gilt bronze gives the piece a strong graphic and tactile presence, characteristic of Line Vautrin’s decorative vocabulary.

You should know

Good condition with wear consistent with age, very attractive patina. | Stamped twice “L.V.”
