About Sequins by Line Vautrin

“Sequins” by Line Vautrin, Talosel mirror encrusted with pink, amber and gold mirrors. Mirror consisting of a large dark brown Talosel ring entirely scarified with “picketing”. This ring receives 57 Talosel pellets mounted on a thick copper wire and adorned with pink, light amber, dark amber and gold mirrors. The pellets are called “Sequins” and give their name to the model in reference to the sequins used in fashion. The central mirror receives a Talosel surround entirely covered with Lumaline. The surround is itself attached by three single and three double copper wires to the outer ring.
