About Sois radieuse comme le soleil de midi by Line Vautrin

Sois radieuse comme le soleil de midi, gilt bronze box by Line Vautrin. Rectangular gilt-bronze box, the lid adorned with a rebus characteristic of Line Vautrin. It can be deciphered as follows: – the silkworm and spool for SOIS (be), – radishes and eyes followed by ZE for RADIEUSE (radiant), – KOM for COMME (like), – the sun followed by two for SOLEIL DE (the sun of), – noon on the sundial for MIDI (midday). The rebus reveals a poetic, luminous message: “Be radiant like the midday sun.” Inside lined with cork.

You should know

To the best of our knowledge, this box, decorated with a rebus devised by Pierre Bonnaud, a close companion of the artist, is a unique example. Signed by stamping in a single line: “LINE VAUTRIN” (on the right edge of the lid). Very good original condition.
