## About Sommerso by Luciano Gaspari

Sommerso, Murano Glass vase by Luciano Gaspari, Salviati Murano, Italy. Blown Murano glass vase with an elegant elongated silhouette, characterized by a body extended by a long cylindrical neck. The chromatic composition combines a luminous amber core with deep emerald green layers, the whole fully encased within a thick mass of clear glass.

## You should know

Original label, difficult to read | The neck presents an area of former minor chipping that has been professionally polished to a museum-quality finish. This intervention does not affect the structure or the aesthetic balance of the object.
